

Compliments, Comments & Complaints

D&H are continually looking at ways to improve their services and value any compliments, comments and complaints.

Compliments: D&H enjoy receiving recognition for their efforts to provide a quality service in a friendly helpful manner. Compliments, either verbal or written, are one of the best ways to let our employees know that you appreciate and value their good work.

Comments: Let us have any ideas as to how we can improve on standards or services.

Complaints: If you would like to make a complaint, please let us know what you are not happy with. We want to:

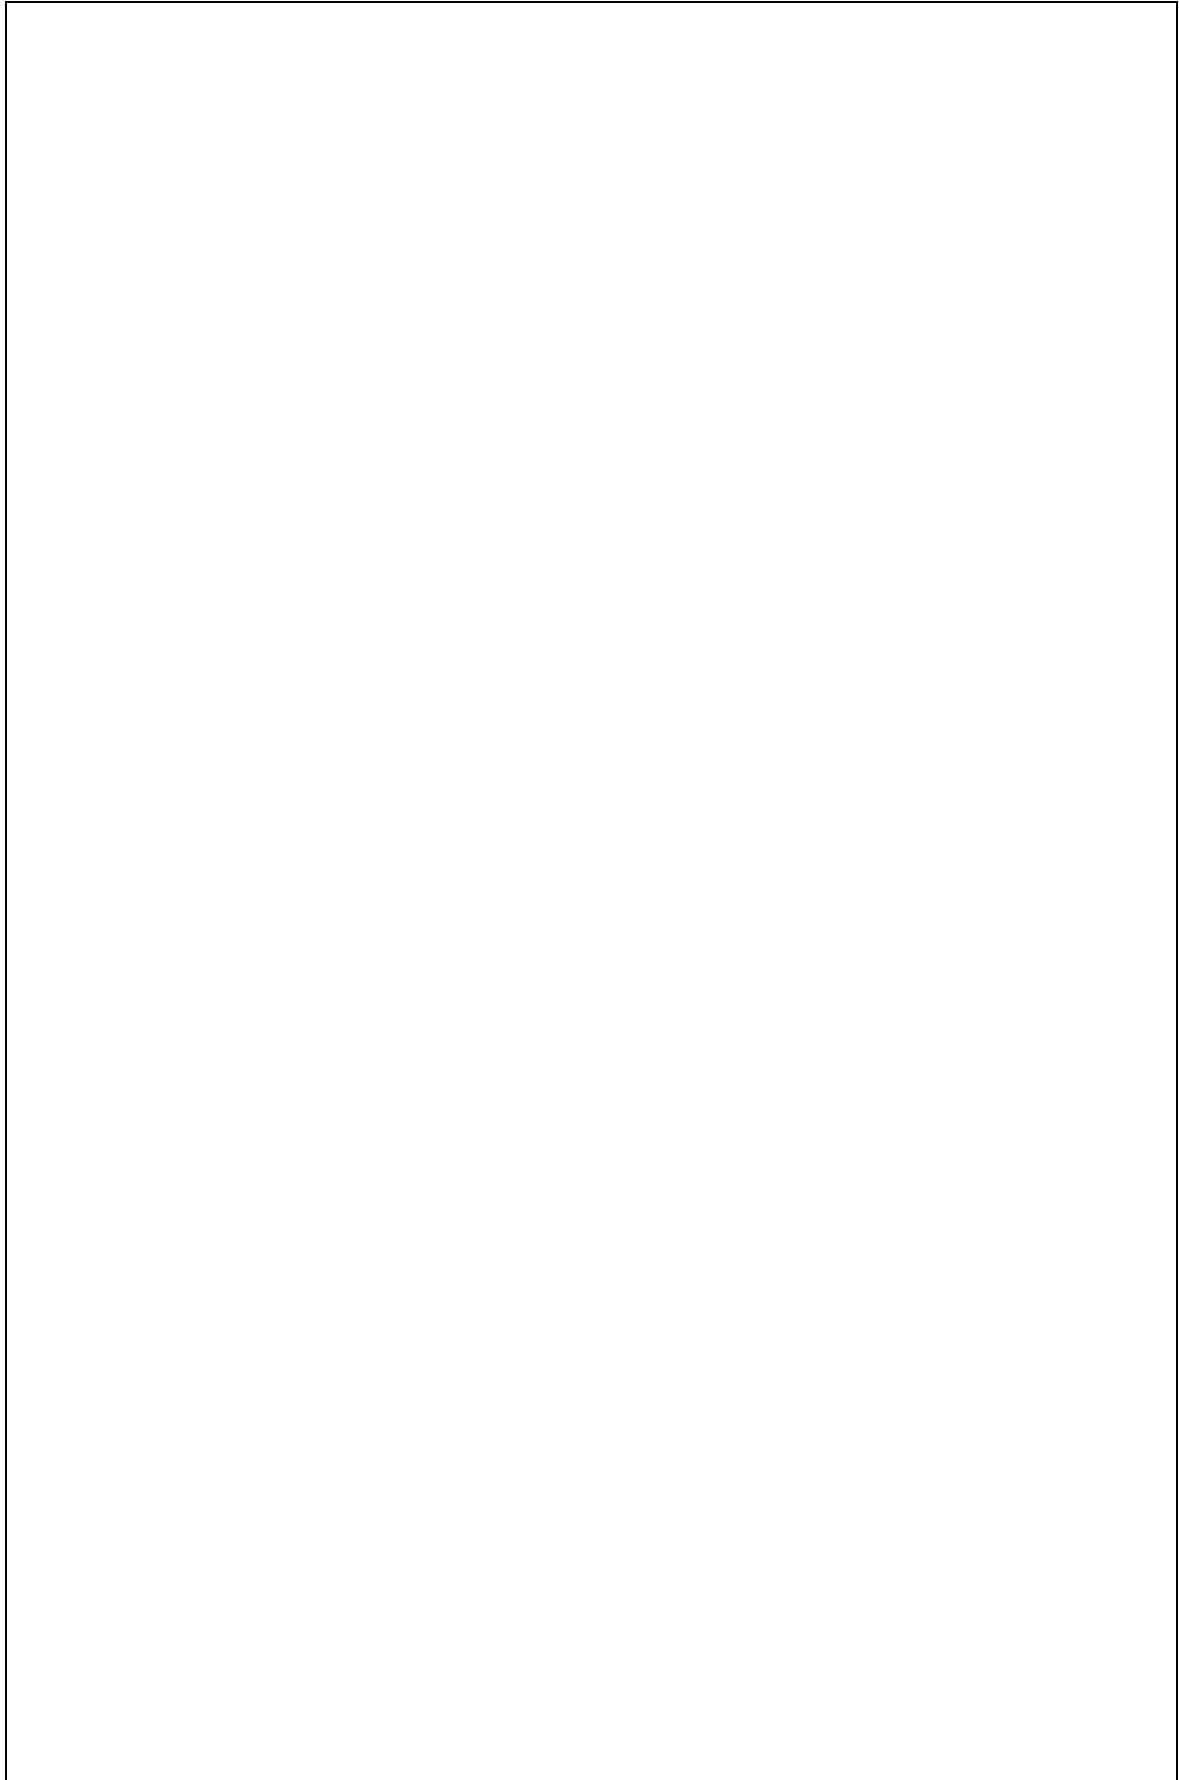

- Learn from your experience
- Put things right
- Resolve complaints as soon as we possibly can

We have an accessible version if needed.
